## ***WEDDINGS AT THE ARDLUI HOTEL, LOCH LOMOND***

Thank you for your enquiry regarding your wedding function at The Ardlui Hotel. Please find the enclosed brochure for Ardlui, and a tariff for hotel accommodation.

The Ardlui Hotel is situated on the most northern shores of Loch Lomond, with a fabulous view south over the loch towards Ben Lomond. The hotel gardens extend from the hotel towards the loch and, weather permitting is a wonderfully romantic place to say 'I do'. If the weather is not in your favour on the day, then the terrace overlooking the loch can be transformed to create an aisle for the bride to walk down!

The Ardlui Hotel is a small country hotel with 10 en-suite bedrooms, a small restaurant (seats 30), a lounge bar with connecting terrace restaurant and a public bar. We also have self-catering lodges and caravans available on the park adjacent to the hotel, and a further two lodges on the edge of our marina.

Due to the size of our restaurant, we are limited to a maximum of 30 persons seated for dinner, but if this suits the size of your wedding party, then we would be delighted to cater for you on such a momentous day!

Scott, the hotel manager, will be available to help you with every step of your wedding planning from begging to end. He will be on hand to make sure your 'big day' runs as smoothly as possible.

### ***MENU & DRINKS***

I have included a menu selector for your perusal. This is our standard menu, which offers a wide variety of dishes. We can cater for all tastes and needs with other menu's and drinks packages tailored to suit, and priced upon application.

Our three course standard package costs £45.00 per person and includes the choice of one soup plus two starters, three main courses and three deserts. The price also includes the standard drinks package of a glass of sparkling wine or Bucks Fizz on arrival, another glass for the toasts and half a bottle of house wine per person. This price is based on a minimum of 20 persons.

Children (under 16) have the choice of eating from the set menu at £15 per child or from our children's menu for the younger ones.

## ***MUSIC / ENTERTAINMENT***

After you have finished your meal, live music or a DJ can be organised in the terrace and lounge bar. Prices start at around £250 depending on what you would like. This can be organised directly with Scott.

## ***EXCLUSIVE USE***

The hotel can be booked for your exclusive use, which means no other guests will be present in the hotel during your stay. All 10 rooms must be booked by the wedding party (complimentary superior double for the Bride & Groom on the night of the wedding), and a charge will be levied depending on the time of year. Charges are as follows:

|   |          |
|---|----------|
| JAN / FEB / MARCH / NOV / DEC – Mon through Thurs   | £250.00  |
| JAN / FEB / MARCH / NOV / DEC – Fri through Sun     | £500.00  |
| APRIL / MAY / JUNE / SEPT / OCT – Mon through Thurs | £500.00  |
| APRIL / MAY / JUNE / SEPT / OCT – Fri through Sun   | £1000.00 |
| JULY / AUGUST – Midweek only                        | £1500.00 |

For those of you who would like to get married in the hotel itself, you will need to book the hotel for exclusive use (not available at the weekends during July and August). The minister from Luss Parish Church is more than happy to come to the hotel and perform the marriage ceremony. The cost for this is usually a donation to the church, which can be discussed directly with the minister.
